Volume 22: Issue 10

November 2019

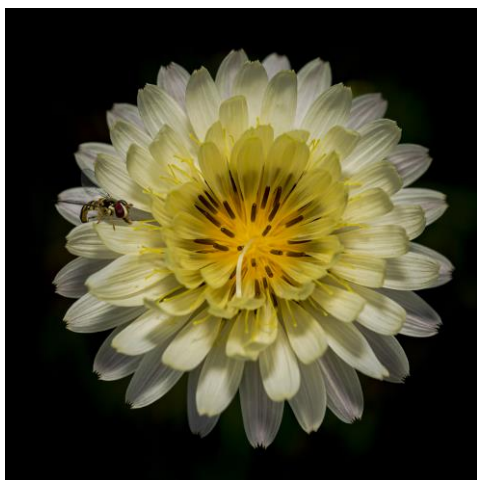

The November Shutterbugs program will be presented by Cissy Beasley. She will be discussing the Wildlife in Focus contest, [www.wildlifeinfocus.org](http://www.wildlifeinfocus.org)

**CISSY BEASLEY AWARD WINNING WILDLIFE PHOTOGRAPHER**

Upon her fourth time to compete in Wildlife in Focus, Cissy Beasley has just taken home the first place trophy - a first for her AND for Wildlife in Focus, as Cissy is the only solo female in the history of the competition to win.

"After five months in the field - working hard to amass a portfolio of exceptional photos to submit for judging - to win over a field of over 40 photographers is extremely satisfying. For any photographer, male or female, it is an arduous task and a tremendous win."

Cissy is a native of Beeville, and now lives in Rockport, where she is a real estate broker, and maintains a commercial photography business, taking ground level and aerial images for clients across South Texas.
